Preserve topics

- **404 Trail - update - John P**
 - **Preserve Plans** for the remainder of 2018
 - **Cougar Canyon Fence issues** - Champe Green sent me this info: Sharon Elias, Soil Conservationist for the USDA NRCS in Santa Fe said she and an engineer would be willing to come out to assess the fence and location, if asked by you or a rep from ECIA, and possibly offer some design ideas and would assess if there would be an opportunity for cost sharing of fence reconstruction or relocation through NRCS landowner assistance programs.. Her number is 505-471-0410 x3 and email is sharon.elias@nm.usda.gov.
