4. Preserve Fall Schedule – Dates – October 14th and November 11th - Choose Priorities
Probably can do two

Possible Projects – 201, 101 low meadow, 401 reroute from TH to ridge, 403 reroute, 301. **Since there is controversy about trail 201, I suggest we walk it on Sept. 14th if we can fit it in.**

UNM Wilderness Alliance. We had a great experience working with you to plant cottonwood trees down at the Bosque last spring, and we are looking to do more conservation projects this semester.

5. Greenbelts
 - a. Update by Cecil on Playground trail
 - b. September 14 Survey day to assess status of the library trail and A Cholla problem on Pueblo canyon trail. Trail tape to help demark trail.
 - c. **We will need to postpone this.** - John Reynolds Walkability idea to be fleshed out by John
6. Trail sign status update – Paul Butt
7. Budget was due. Jim D prepared it and sent it to Isabel. Included in packet. Anything egregious probably can be changed.
8. Possibility of monthly ½ hour meetings with the GM to work on problems prior to the monthly committee meeting.
9. Discussion of a permanent change of structure to either two co-chairs or a Chair/vice chair
10. COLTPAC - John P
11. Old Business
kkkkkkkkkkkkkkkkkkkk. **Status of the fence in the meadow of trail 401.**
12. New Business
