Remember, the RC is an advisory group that presents information to ECIA Board for their action on specific topics. We are here, that is the RC, to help formulate the particulars of your issue(s) with additional detail from us, based on our knowledge of roads and road construction, to make the best presentation and argument for the Board, and ultimately to the SF County Public Works.
 - Process:
 - State your name, address, and other contact information.
 - Explain the issues related to the road where you reside.
 - Provide clarification details, i.e., prior communication with either ECIA Board members, County officials, or elected representatives.
 - Present your ideas for potential solutions.
