### February 15, 2022 County Liaison Report

County Liaison Joseph Gutierrez reported the County is currently in legislative session until Thursday at noon. In addition to ECIA, Senator Peter Wirth also put in for capital dollar requests for the Azul Hike/Bike path, road improvements, and a crosswalk at the El Dorado Community School. The request for the crosswalk was \$30,000 and was increased by the County to \$60,000. Once the legislative session is closed, the Governor has a certain amount of time to sign the requests. The community will likely not know the result of the session until the end of March.
