## **Our mission:**

The mission of Eldorado Neighbors Helping Neighbors (ENHN) is to provide volunteer services to residents in the greater Eldorado area who need support to stay and age in their homes. As the age of residents increases, more will need such support. The purpose of the organization is to assure residents are aware of and receive needed services.

## Types of Volunteer Services

- Rolling trash out for collection
- Taking glass to transfer station
- Changing smoke alarm batteries
- Light housekeeping
- Light yardwork
- Moving boxes
- Shoveling snow in small areas
- Grocery shopping
- Check-in phone calls
- Changing light bulbs
- Dog walking and feeding
- Trips to the library
- Home visits
- Minor repairs
- Companionship

**About us:** We are a group of residents from the greater Eldorado area who saw a need for additional services in the area for elders who need support to stay and age in their homes. ENHN volunteers will provide volunteer services. The group is affiliated with Coming Home Connection. ENHN will connect volunteers with residents needing services. The ENHN will actively seek out those who need services.
